

Start Here

Print only what your generated plan asks for.

1**Open START_HERE.html**

Build the party around your grade, class size, available time and helpers.

2**Confirm with the teacher**

Check allergies, school wording, food rules, movement limits and photo permissions.

3**Print by station**

Each generated station card tells you exactly which section to print.

4**Pack one folder per station**

Add the instructions, supplies and a spare pencil to each folder.

5**Use Party Mode**

Open the live timer on a phone, tablet or classroom screen to keep rotations moving.

Important safety check

Adult supervision is required. Review every activity and material for the specific children, classroom and school. Do not serve food or candy without written teacher approval and current allergy information.
